## About The Laughing Giraffe®

The Laughing Giraffe® is a trusted manufacturer, wholesale supplier, and premium brand of blank kids' clothing. Since 2000, we've been dedicated to delivering peace of mind to parents, retail stores, hospitals, and corporations by offering high-quality, CPSIA-certified apparel and accessories for newborns, toddlers, and youth.

Our product range includes bulk blank newborn sleep sacks, toddler sweatshirts, kids' t-shirts, children's pajamas, and sleep-and-play bodysuits—all designed for comfort, safety, and versatility. We also offer professional screen printing and embroidery services, making us your one-stop shop for customizable blank kids' clothing.

# Our Values

## Caring

The Laughing Giraffe®, a woman-owned business by Zoe Rock, offers skillfully curated, eco-friendly clothing for babies, toddlers, and youth. Designed for safety, comfort, and creative customization, our blanks are perfect for various decorating techniques.

## Cozy

We test fabrics for fit and feel, picking only the best. Our soft polyester and durable cotton ensure breathable, cozy clothes for babies, kids, and toddlers to sleep and play in, with seams designed for ultimate comfort.

## Value

We provide great value at affordable prices so businesses of any size can print on high-quality garments. Trusted for our honesty, pricing, and premium clothing, we ensure kids and our business partners get the best.

## For All Kids

As kids grow, so does our range of durable, stylish clothing. In 2021, we launched Neil & David®, named after Zoe Rock's boys, offering the same quality for adults. Designed for families, it reflects Zoe's commitment to comfort since 2000.

## Safety

Child safety is our top priority. All clothing for ages 24 months and under is CPSIA-approved, tested for harmful chemicals. We ensure safe practices for all ages, visit factories, and guarantee sweatshop-free, high-quality garments.

## Sustainable

Sustainability is core to our values. We use eco-friendly practices to minimize waste, ensuring our products are made responsibly. We're committed to preserving our beautiful planet for future generations.
